**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Without it, price hikes will increase the cost of internet and telephone services. Broadband is critical to my home, business and kids' school. I have fiber at work but was previously connected with competitive DSL. Please promote access to fast, affordable internet and phone service.
